

Note to Network Members: If your news release meets the following eligibility guidelines for posting on EurekAlert!, please send a copy of it to me about five days in advance of your release date (earlier if you intend to embargo it for a date certain). I will submit the release on your behalf on the Census account and keep you posted of its progress once posted. You will remain the contact person and handle press queries that may result.

Please submit your news release to Darlene.crist@cox.net. If you have questions, please don't hesitate to contact me at 401.295.1356.

Eligibility of Press Releases for EurekAlert!

Research News

- Describes peer-reviewed research results, generally published in journals or presented at scientific meetings
- Announces breakthrough procedures or technologies
- Discusses science policy news

Science Business News

- Describes significant events in the field of science business, such as:
 - Collaborations, mergers or agreements between organizations
 - Approval, licensing or patenting of new products
- Announces economic or financial developments in industries or organizations
- Discusses forecasts or trends in industries or organizations

Grant Announcement

- Announces funding of organizations, projects or individuals
- Describes work that will begin or continue due to new or continued funding

Award Announcement

- Announces an award that either has been or will be given; awards are usually non-monetary in nature

Book Announcement

- Announces the publishing of a new book, manual or related text

Meeting Announcement

- Announces an upcoming meeting, conference or seminar at which new scientific research is being presented

Press Conference Announcement

- Announces an upcoming press conference

EurekAlert! does not accept all press releases, and may not accept those that fall under the following categories:

- Organization-specific news, such as changes in leadership or faculty; new buildings, programs, or institutes; or rankings
- Tip sheets, feature stories, educational pieces or other material NOT based on current research
- Lists of experts
- Announcements about new Web sites, on-line databases or other on-line services

The EurekAlert! staff reserves the right to determine the eligibility and categorization of all press releases submitted to the site.
