

LOOK TO THE SEA

Verse 1

Big Fish he came to me, said to follow him
So I dove, deeper in the sea

Verse 2

To show me many things, man has never seen
That have no name, show me mysteries

Bridge 1

And the scientists have waited for a lifetime
Now we need to get to know you better

Chorus 1

Take me out to sea, I wanna go deep as we can be
For we've been looking up to stars and now the time's come
To Look to the Sea

Verse 3

Sting Ray she tells me things, in sounds never heard
From another world, we don't yet understand

Bridge 2

And the scientists have waited for a lifetime
Now we need to get to know you better, better, better

Chorus 2

Take me out to sea, I wanna go deep as we can be
For we've been looking up to stars and now the time's come
To Look to the Sea

Keyboard Solo

Middle 8

We could drink tea on your ocean floor
In your garden walls of the sea
I could meet your neighbours do you think they'd like me?
Would they care for some tea in the sea?

Verse 4

Sea Turtles take my hand, far from shore and sand
A world moving through the ocean's mighty blue

Chorus 3

Take me out to sea, I wanna go deep as we can be
For we've been looking up to stars and now the time's come
We're looking to the Census of Marine Life
